## ***REALLY, REALLY EASY WAYS TO DO A GOOD DEED!!!***

- You know those little shampoos and lotions you get in hotels when you travel? Or those free note cards and wrapping paper samples you get in the mail? Save those items throughout the year then take them to Meals on Wheels for the holiday stockings that they put together for meal recipients.
- When you see those great 75% after-holiday toy sales, stock up and then next holiday season donate the items to Toys for Tots or any number of other charitable organizations.
- Check the coupon inserts of the Sunday paper. Whenever you see coupons for free items (e.g., pet food), get the item and then donate it. If you get all your friends and family members involved, you'll be able to donate quite a bit of food for *FREE!*
- Donate your Acme grocery receipts. Some of the organizations that benefit from redeeming the receipts include the Salem County Humane Society, local schools, and scout organizations.
- Check the calendar of events for your local Elks organization. Penns Grove Lodge No. 1358 serves up an awesome buffet breakfast the 3<sup>rd</sup> Sunday of every month, in addition to sponsoring many other fun events all throughout the year. Proceeds are used for such worthy causes as the annual toy run to A. I. du Pont Children's Hospital and support of Camp Moore for Handicapped Children in Haskell, NJ.
- Like animals? Visit your local animal shelter and walk dogs, pet cats, sweep floors—there are endless things you can do to help out that don't cost a thing except your time.
- Speaking of time, Meals on Wheels is always in need of volunteers to deliver meals. All it takes is just two short hours once every four weeks and you'll meet some of the nicest people on your route!
- When you visit the warehouse shopping clubs and you see a really good deal, pick up an extra and donate it to a local club or organization.
- Tired of the commercialism of the holidays? Exchange donations with your friends and family members instead of purchasing gifts. Some organizations even give you a gift with your donation which you can, in turn, donate somewhere else!
- Cleaning out your work or home office? Local schools and libraries would be thrilled to receive donations of paper, binders, etc.
